e-mail: info@fortebass.com

1. Fill out columns A & B

2. Specify the number of mono-chords, bi-chords, and tri-chords

3. Optionally, you can specify the outside diameter of wrapping and the core diameter of the very first and the very last of mono-chord, bi-chord and tri-chord strings (if there are any)

4. Tip of loop (German or English)
